Universal USB Type-C Adapter with Power Delivery

Get simple and effective USB Type-C Connectivity, the **AdaptLite®HD** and **AdaptLite®VGA** allows users to maximise the functionality of a single USB 3.1 Type-C port. Sync, charge, transfer data and connect to additional devices, peripherals and other accessories from your PC, Laptop or Tablet.

Universal USB Type-C Power Supply

Charge laptops, notebooks or mobile devices with the **PowerProEssential USB Type-C Power Adapter**. Available in 60W and 100W the PowerProEssential is flexible and universal; delivering fast, efficient charging to all USB-C devices.

Matched Power Supplies

Your laptop needs power to keep you on the go, a lost or broken laptop adapter can seriously slow you down. Even if you haven't lost your laptop adapter, you may want to purchase a back-up Power Adapter to keep at home or at the office. Ideal as a replacement or additional power source, Hypertec Power Supplies provide effective charging anywhere with a power outlet.

Matched Laptop Batteries

If your Laptop isn't holding charge, it may be time to replace the battery. Hypertec have an extensive range of high-quality Matched Batteries which revive the original charge capacity and offer a solution to prevent downtime by insufficient power arrangements.
