

One Stand for All Devices

The perfect solution to home and agile working, the **Standivarius® Oryx Pro 2 in 1 Hybrid Laptop/Tablet Stand** creates a portable ergonomic workspace anywhere.

Compatible with Microsoft Surface Pro, iPad Pro & Samsung Galaxy Tab, the Oryx Pro firmly supports most laptops and tablets. With 4 height/angle adjustments to choose from the Oryx Pro provides the right angle and viewing height, **great for relieving neck and shoulder pain from hours of working with a laptop or tablet.**

Lightweight and Portable, the Oryx Pro weighs just 210g and folds flat to 2.4mm. **Easy to carry** in backpacks, briefcases, travel luggage, keep in a desk drawer at work, or carry in the car; the Oryx Pro is an **essential accessory for office workers, students, travellers**, and anyone else who needs to use their laptop or tablet in a variety of environments.

Quick and easy to assemble, the Oryx Pro can be put together in seconds, ready to use and enjoy immediately. Complete with a **document holder**, the stand can hold recipe cards, papers for re-typing, research materials and much more, helping to **keep you organised and efficiently working.**

Perfect for desks, tables, beds, sofas, the car or anywhere else, the Oryx Pro **provides a more ergonomic viewing angle, creating a healthier set-up** than simply putting it on your lap or laying flat on a surface. **Combine the stand with a Standivarius compact keyboard and mouse to create an ergonomic workstation that can be taken anywhere;** relieving and avoiding RSI, hand fatigue, pain, and carpal tunnel.
