

Introducing the Lite[®] by Hypertec[®] 1080p Webcam

Part Code: **HYLWEB1080**

Quality Sound and Picture

Get pixel-perfect high definition Full HD 1080p video that allows your colleagues, friends and family to see you as clear as day, even when they are worlds away.

Swiveling a full 360 degrees, the Lite by Hypertec Webcam provides the flexibility to get the perfect angle, and the dual microphones capture crisp sound from all around, perfect for conferencing or long-distance video calling.

Simple Setup, High Compatibility

The true plug-and-play webcam is quick and easy to set up, providing simple functionality that works with both USB-C and USB-A devices. Stream across multiple video applications, the Lite by Hypertec Webcam works with Skype, Zoom, Teams and more.
