EPOS

BrainAdapt™

IMPACT 1000 Series

IMPACT 1000 is designed for the New Open Office environment. Built on EPOS BrainAdapt™ technology to reduce brain fatigue with adaptive ANC and industry-leading voice pickup powered by EPOS AI™, making sure you're getting your message through.

reddot winner 2023

GOLD AWARD 2023

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products.
During the transition period the same product may exist in both versions

Certified for Microsoft Teams

Google Meet

Key **Features**

Stay comfortable throughout the day

Lightweight design, soft breathable cushions, and headband padding allow for all-day wearing comfort in the open office.

Protect your brain in the open office

Hybrid adaptive ANC effectively shuts down noise and helps your brain focus - even in busy open office environments.

Industry-leading voice pickup for focused conversations

Adaptive microphone technology powered by EPOS AI™ makes sure you're getting your message through.

A new market standard for open office headsets

Experience a superior open office headset with super wideband and stereo sound. Meets Microsoft Teams Open Office requirements.

Experience true convenience

Wireless charging stand and smart features make using the headset truly intuitive and hassle-free.
