

MS4000 Natural Keyboard

Part code: K-MS4000

Supplied with detachable negative tilt front stand

Description

Place your hands and arms naturally and comfortably with the Microsoft® Natural® Ergonomic Keyboard 4000. The improved split design encourages a more natural hand, wrist, and forearm position and its new curved key layout makes keys easier to reach.

- Get a closer look quickly and accurately with the intuitive Zoom Slider.
- Customizable Hot Keys. Perform common tasks, like opening documents and replying to email messages, with the touch of a button.
- Quickly reach for commonly used symbols, such as equal sign, parentheses, and "Backspace." They are now located just above the number pad.
- Type in total comfort—ergonomic design encourages natural wrist and arm alignment so you can work without discomfort.
- Quickly and easily access common tasks, including product information, registration, settings, and more for popular devices such as cell phones, cameras, printers, and mouse, keyboard, and webcam products.

- Easily access programs in the taskbar with convenient keyboard hot keys. The keys automatically adapt to the new location of applications that have been rearranged by dragging.
- Email and Internet Hot Keys. Touch a button to quickly access your email application and the Internet.
- Quickly and easily access and control all of your media from your keyboard.
- Lockable F Keys to avoid engaging them unintentionally.
- Integrated Palm Rest. Get better support with this plush, integrated palm rest.
- Three-Year Limited Warranty
